**Be a part of a dedicated team who is passionate about achieving our vision of an inclusive and supportive community where children, youth and their families thrive**

The Ministry of Children and Family Development's primary focus is to support all children and youth in British Columbia to live in safe, healthy and nurturing families and be strongly connected to their communities and culture. The Ministry is also responsible for developing universal, affordable, accessible, quality and inclusive childcare. The Ministry supports the well-being of children, youth and families in British Columbia by providing services that are accessible, inclusive, and culturally respectful.

As a Clinician, you will be an integral member of a multi-disciplinary community mental health team providing a range of mental health services to children, youth, adults, and their families. You will also provide direct clinical services such as intake, assessment, diagnosis, treatment, and crisis intervention for children, youth, adults, and their families. Consulting with community agencies, schools, hospitals, and other ministry programs, you understand the importance of being involved in community education, development, coordination and prevention/early intervention programs. You build and maintain relationships with a wide variety of stakeholders in the community to ensure that conflicts are resolved, and appropriate outcomes are achieved.

The BC Public Service is committed to creating a [diverse workplace](#) represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive, and rewarding workplace.
