

WE'RE HIRING

Social Workers

Join a team connected by collaboration, support and most importantly, the goal of providing quality patient care. At Vancouver Coastal Health (VCH), we value career growth with employer-supported training, encourage a culture where everyone's voice is heard and strive to create a supportive team environment.

The 1.25 million people living in the communities we serve are our inspiration to continue to provide safe, quality care and stay at the forefront of health care through research and innovation.

With comprehensive health care benefits and diverse work location options, now is the time to join our team.

New grad program

VCH is pleased to offer extensive support and learning opportunities to new graduate social worker hires, ensuring a smooth transition to independent practice. When hired as a new social worker graduate, you will receive on-call assistance with clinical skills and decision-making, participate in dedicated new grad education sessions, and benefit from supernumerary buddy shifts tailored to your learning needs. These resources enhance your confidence and competence as you embark on your professional journey.

We have opportunities for social workers in:
